

Thomas Duncan Hall Fourth Annual Photo Contest

Thomas Duncan, born in Girvan Scotland, was himself an accomplished photographer.

This brilliant electrical engineer/entrepreneur left a bequest in his will in 1928 so that Lafayette would have a gracious and spacious community hall, in large part as a gathering place for The Arts. The beauty of Thomas Duncan Hall has inspired photographers for nearly eight decades. Today, we continue to fulfill Thomas Duncan's vision by inviting you to share your photographic talents.
